IMPORTANT

In filling out this form be guided by the instructions contained in the **MANUAL ON CIVIL REGISTRATION AND VITAL STATISTICS** issued by the Civil Registrar-General.

Value of birth certificates.—Birth certificates are very valuable, hence they must be correctly and completely filled out in ink or typewriter and filed with the local civil registrar in two copies (original and one carbon copy).

The following are some of the important uses of a birth certificate:

1. Proof of family relations (paternity, maternity, and filiation). Such proof is required when claiming for succession or inheritance, pension and other rights incidental to family relations.
2. It serves as evidence of age which is required when (a) first entering school; (b) establishing the first right to vote; (c) taking civil service examination and entering government service; (d) getting life insurance; (e) securing passport; (f) establishing age when going to work in commercial or industrial establishments; (g) getting marriage license; (h) military training, etc.

NOTE.—In the case of an exposed child, the person who found the same shall report to the local civil registrar the place, date, and hour of finding and other attendant circumstances.

In case of an illegitimate child, the birth certificate shall be signed and sworn to jointly by the parents of the infant or only by the mother if the father refuses. In the latter case, it shall not be permissible to state or reveal in the document the name of the father who refuses to acknowledge the child, or to give therein any information by which such father could be identified, even if known.

False statements.—Any person who shall knowingly make false statements in the forms furnished and shall present the same for entry in the civil register shall be punished by imprisonment for not less than one month nor more than six, or by a fine of not less than P200 nor more than P500, or both, in the discretion of the court. (Act 3753, Sec. 16)

Failure to Report.—Other Violations.—Any person whose duty is to report any fact concerning the civil status of persons and who knowingly fail to perform such duty, and any person convicted of having violated any of the provisions of this Act, shall be punished by a fine of not less than ten pesos nor more than two hundred. (Sec. 17, Act 3753)

BY HAND

Dear

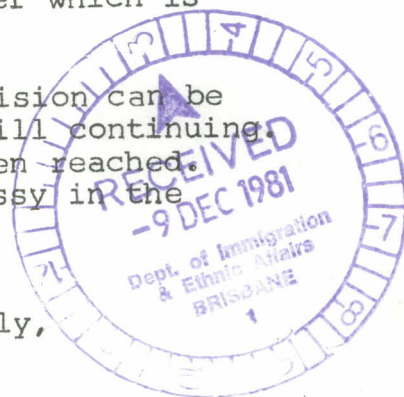

~~Ms. Bustos~~ your application to enter Australia.

So that further consideration may be given to your application, you (and all other persons included in your application) are now required to undergo a medical examination. In addition, all persons aged 16 years or over are required to have a radiological examination (chest x-ray). Attached are medical and radiological report forms together with a list of doctors authorised to perform the examinations. You should arrange for these examinations to be carried out as soon as possible.

It is also necessary for all persons aged 16 years and over to provide a current certificate of clearance from the National Bureau of Investigation. You should apply direct to the National Bureau of Investigation, Taft Avenue, Manila, and after you have obtained the certificate, forward or bring it to this Embassy. Please quote your file number which is shown above.

At present I am unable to say when a decision can be expected as processing of your application is still continuing. You will be advised as soon as a decision has been reached. It is not necessary for you to contact this Embassy in the meantime.

Yours sincerely,

2. On the 24th September 1981 she applied here for change of
status as the fiancée of Leslie William DARCEY but the
question as to where when and if marriage takes place appears
to be a problem for the couple.

4. I presume Marilou BUSTOS and or Les-lie William DARCEY will
call at your Post to obtain a Visa for the child and I am alerting
you to check the bona fides should you be approached on the matter.
Additionally should the marriage not have eventuated you might
please take action to cancel the re-entry visa No.005 02929 P

Mr Jarcey phoned to enquire if it is absolutely necessary for Miss Bustos to attend office as they did not wish to travel to Brisbane if the matter could be resolved by phone.

I made general enquiries & it became evident the marriage is to go ahead as planned. I discussed this & was informed they would marry on 21/11/81 as previously advised.

He advised they would be going to Philippines after the marriage to collect her child & that they had already paid \$50 to facilitate the child's entry. I advised the fee was for change of status for Miss Bustos. He said we were to write to Manila to arrange for entry of the child.

As it is evident the marriage will go ahead I advised no need to call at present however if anything further required I will contact.
